Wild Ideas -- Creativity from the Inside Out

“Cathy Wild’s book, *Wild Ideas: Creativity from the Inside Out*, goes beyond a few simple suggestions to stimulate creativity. As she points out, this path is not a straight line from A to Z. It has zigs and zags; it has reversals and successes. You’ll be inspired to stay the course through the chaos of creation as you tap into her deep wisdom, fully expressing what has meaning and value to you.”

“More than a beautifully written book, *Wild Ideas* is a toolkit for anyone wanting to work and think outside the box—it’s not just for artists. Cathy’s insights inspired me to expand the limits of my conventional thinking about an important case so I could develop an innovative strategy on behalf of a client.”
